
(Date, lieu)

To whom it may concern,

I hereby signify my intention on participating at your 60 km handcycling road race in Saint-Adolphe d'Howard, Québec, on October 1st 2017, given that we reach the minimum of 10 competitors in the male H3 category and given that the podium prize money confirmed is indeed of 5000, 3000 and 2000 \$ for the first 3 positions. The final date would have to be confirmed a month prior to the event so we can plan accordingly, but it would be with great pleasure that I would be participating in this great initiative to promote your region, our sport and it's visibility!

Best regards,
